To enter, simply ring the *Streetscape Hotline* on **6223 3149** or send your nomination (or a neighbour's) to *PO Box 200 South Hobart 7004*.

## ENGLISH GRAMMAR COACHING

The school curriculum is so full these days that little time can be spared to teach children the rudiments of formal grammar. As a result, children often find it difficult to use their own language with precision, and the learning of a foreign language becomes a difficult and often unrewarding exercise. If you are interested in having your child's understanding of and proficiency in basic grammar improved, contact **David** on **6223 3149**. Individual tuition, at very reasonable rates, will be conducted from January 2002 in South Hobart. Individually tailored lessons will suit children from primary through to secondary level. University students or those planning to undertake mature age entry to tertiary studies will also find the coursework caters to their needs as well.

## SOUTH HOBART TRAFFIC MANAGEMENT

The Association would like to take this opportunity of thanking all the HCC staff who worked on the Elboden Street redevelopment for their professionalism and good humour.
