SUPPORT STH HOBART NEIGHBOURHOOD WATCH

Thank You Larry.

The South Hobart Progress Association Inc. wishes to draw to the attention of South Hobart residents the outstanding work done by Mr. Otto (Larry) Bitterman, who is the Co-ordinator of South Hobart Neighbourhood Watch. For many years, Larry has been the driving force behind this valuable neighbourhood organisation. Single-handedly he puts together the regular Newsletter distributed to all households by a team of volunteer deliverers. It is he who inspects the security of residents' homes following burglaries. The SHPA encourages all residents to assist Larry and his team in any way they can - report suspicious people or activities, etc to Crime Stoppers on 1800 005 555. Other calls to Tasmania Police 6230 2111 or 000 for Emergency only. In recent times, there have not been regular meetings of the South Hobart Neighbourhood Watch, but these will resume on Tuesday 13th July, 2004 at 7.30 pm at The South Hobart Community Centre, D'Arcy Street. The meeting will be attended by a potential sponsor who would finance printing and other administrative expenses, so, if you can, go along to show the Larry has good support.

STH HBT LANDCARE GROUP

An enthusiastic band of volunteers has been clearing the cotoneaster, broom, gorse, boneseed and other weeds in the lower section of Wellesley Park. Local residents have been very appreciative of the group's efforts and members look forward to enhancing the area with native plantings on Sunday 18 July. All are very welcome on the third Sunday of each month from 10 am. near the Ingram Street entrance to the Park. It is a pleasant, sociable and rewarding activity for an hour or so once a month. No equipment is needed, but wear old clothes. Any queries contact Malcolm Saltmarsh on 62235504.

WELLESLEY PARK NAMES

There has been much interest shown in choosing a different name for the lower portion of Wellesley Park and even a case for retaining the status quo. The SHPA thanks all who have made suggestions. The Association will keep all informed on any developments. Contact: Kevin Wilson on 6223 1687.

CHAMBER MUSIC AUSTRALIAN STRINGS ASSOCIATION (AUSTA)

This is a national organisation consisting mainly of teachers of violin, viola and 'cello. One of its aims is to encourage the playing of stringed instruments, especially in chamber music groups. There are many who, in their youth, have learnt to play these instruments as a recreation, but find that, in their working life they don't have the time to follow up their musical activities; or, perhaps, they simply need to meet people of similar interests in order to get started again. If there is sufficient interest, the Tasmanian branch, AUSTA TAS, plans to give such people an opportunity to become involved again. Would you like to join a group and play chamber music with some help from a tutor? Or do you already play in a group, and would like performance and tutorial practice? We propose to hold a session on **Friday evening, 30th July** to get started, with sessions on **Sunday 1st August** to follow up. If you are interested, send your name, address and phone number to **AUSTA TAS Chamber Groups, c/o Box 671, Kingston, Tas 7051** or, email **austacham@tassie.net.au**. A brochure/entry form will be distributed giving details of the venue, proposed time schedule and costs.

STH HOBART SOCCER CLUB

Life membership is usually a reward for services rendered and after receipt of the honour most recipients gently fade away into the sunset. However, the life members of the South Hobart Soccer Club are the exception to the rule. Les Richardson, John Barker, Steve Adkins, and Keith Roberts are still involved with the day-to-day activities of the Club. Les is Secretary, John, President whilst Steve is a playing coach with close to 400 games to his credit. Keith

Roberts has been the Club Statistician for many years. Other life members still participating in the Clubs activities are Kevan Wright (Coach), Phil Oddie (auditor), Ian Colhoun (player), Tony Chaffey (Primary teams coordinator) and Brian Roberts. A feature of the Club, whose membership exceeds 300, is that high proportions are residents of South Hobart or adjacent suburbs. Many players commenced their careers representing the *South Hobart Primary School* and have not played for any other club. The Club caters for both men's and women's soccer. The Division 1 women's team is currently heading the League Table. The club headquarters is at *Wellesley Park*. New members, not withstanding their age or gender, are always welcome. For more information, 'phone **6223 7888**.

QUIET MOMENTS

by Ron Goodrick, Lauderdale

Lauderdale, Ralphs Bay,
So beautiful, must stay
As nature made

The hillsides and mountains,
So lovely to see,
Snow capped in winter,
And birds here to feed

The waves flowing freely,
Then calm as can be,
It's more than a bay,
And more than you see

So beautiful, fulfilling,
It's just part of me,
We need it forever,
For others to see.
