### NEXT SHPA MEETING

The next meeting of *The South Hobart Progress Association* will be held on **Wednesday 12th June, 2002 at 8.00 pm** in *The South Hobart Community Centre*, 42 D'Arcy Street, South Hobart. All welcome.

### WELLESLEY PARK UPDATE

The excellent attendance at the Public Meeting and response to the circulated petition, asking that the Hobart City Council withdraw from the process whereby the lower part of Wellesley Park be offered for development as aged care facilities, reflects the strong opposition to the concept in the community. At the time of writing, several committees of the HCC are considering the matter. Hopefully, our Association will have an update report on the matter by the time of our next meeting on **Wednesday 12th June, 2002**. Interested parties are invited to attend this meeting, which will be a normal Progress Association meeting. Further updates will follow in the July issue of *A South Hobart Newsletter*.

### SHPA ANNUAL GENERAL MEETING 2002

*Wednesday 10th July, 2002*

*The Annual General Meeting* of our Association will be held at our July meeting. All offices in the SHPA Inc. become vacant, and residents are invited to make themselves available for election. In particular, a person available to assist with the financial management of the Association would be very welcome. Although the Association is fortunate to have an enthusiastic, dedicated band on the Executive Committee, this would be a good opportunity for some "new blood" to infuse new ideas into the organisation. Further the Editorial Committee is seeking input from anyone who would find this a good opportunity to expand his/her journalistic experience for his/her *Curriculum Vitae*.

### 50 KPH SPEED LIMIT

Many residents, especially those with young school-aged children or elderly parents, will bemoan the fact that the *Department of Motor Transport* failed to seize the opportunity, presented by the introduction of the default 50 kph speed zone, to place a similar restriction on that section of Macquarie Street between the Southern Outlet and Cascade Road. The Association, local businesses, and school Parents & Citizens groups have long lobbied the DMT to introduce such a zone. **Shopping Precinct 50 Zones** have been created elsewhere in Hobart. There is no good reason for neglecting South Hobart. Residents are encouraged to write to the Chief Traffic Engineer, Mr. Milan Prodanovic DIER GPO Box 936 HOBART TAS 7001 or email [milan.prodanovic@dier.tas.gov.au](mailto:milan.prodanovic@dier.tas.gov.au) expressing their concerns.

In the interim, if sufficient residents were prepared to adopt an unofficial speed limit in the area of 50 kph, there is a good chance that the speed of non-resident vehicles would be similarly reduced. The SHPA Inc. is indebted to Ald. Darlene Haigh for her support in relation to this matter. The issue will be on the agenda for the next Association meeting. **Come along and let us hear your views!**

## VALE GEORGE GAWLIK

Josef (George) Gawlik died recently. Many residents will recall, with affection, our former postmistress, Beryl Gawlik, and her husband, George, who operated the *South Hobart Post Office* at its former location, the present-day *Antiques on Macquarie*. George, a highly qualified auditor, came to assist his wife on his retirement. His patience and wry sense of humour endeared him to all those with whom he came in contact. Those who knew and loved "the Gawliks" would wish the SHPA to pass on their condolences to Beryl and her family. South Hobart has indeed been fortunate to have had two consecutive excellent *Australia Post* personnel.
