Enquiries to Rob White on a6223 3005.

### MOVING SHOP?

An application has been lodged with the *Hobart City Council* for a change of use at 432 Macquarie Street (formerly the TAB). It would appear that a South Hobart landmark - the *Laundromat* - is on the move.

### HELP REQUIRED!

The Association is always looking for volunteers to help deliver the *Newsletter*. This community-spirited activity also provides good exercise, fresh air, and an opportunity to look at your suburb with different eyes. Ring Hon. Secretary on a6223 3149.

### HCC NEWS

The *Hobart City Council* has ventured into book publishing with the release of *100 Hobart Houses*. The book, which celebrates housing in the municipality from 1901 to 2000, was written by noted local, social historian, Miranda Morris, with photography by Jan Dallas. The book is the result of overwhelming public demand for a permanent record of the highly successful exhibition, of the same name, held in the *Carnegie Gallery* last year. *100 Hobart Houses* is a must for anyone interested in the social and architectural history of Hobart. Selling fast!

## ST JOHN'S HOSPITAL MASTER PLAN

The new owners of *St. John's Hospital, Calvary Hospital*, have withdrawn the masterplan proposed for the site by the former owners, *MBF*. A much less intrusive masterplan will be drawn up for the site. Management of *Calvary Hospital* has indicated that it will consult with residents of the area and the *SHPA Inc.* as soon as draft plans are available.

### WHAT'S IN A NAME—II?

*Reviving the name - Cascades.*

A simple way *Cascades* residents can contribute to a change of name for their region is by requesting that *Telstra* record their address in the telephone book as *Cascades* not *South Hobart*. It costs nothing to upgrade the listing.

### CASCADES RESIDENTS

People in the *Cascades* area are encouraged to join the *SHPA Inc.* By joining the Association you are entitled to nominate for membership of the *Cascades* sub-committee of the Association and have a say about issues in your local area. Some of the issues which the subcommittee is considering include *MTT & Telstra* services, and pedestrian & bush-fire safety. If you would like to become a member, please phone Joan on ☐6239 1235. The *Cascades* subcommittee meets on the first Monday of each month at 7.30pm in the *Cohousing Commonhouse* 201 *Strickland Avenue*. All residents of the area are invited to attend. Enquiries to Linda on ☐6223 5079.

## BUSHFIRE AWARENESS

Residents in fireprone areas of the suburb may be interested to learn that a local resident, *Jason Garrett*, has started a new business, *Gutter-Vac*. The service enables residents to have their gutters cleaned on a regular basis (yearly or twice yearly), thus reducing the risk of fire taking hold in the roof or eaves. As the population ages and owners become less willing to risk life and limb by climbing onto the roof to undertake such maintenance, such a service is bound to become popular. You can contact *Gutter-Vac* on **1300 654 253**.

### IMAGINE TASMANIA

An alternative approach to the *Tasmania Together* project has been put forward by two former members of the think-tank. *Imagine Tasmania* now has a web site at which their alternative approach is explained. There is opportunity for people to contribute to an online forum of ideas of how *Tasmania* might look in the near future. Worth a 'browse' at: [www.imagnetasmania.com](http://www.imagnetasmania.com)

### LOCAL HISTORY GROUP

There will be no meeting of the *Local History Group* this month.

**SOUTH HOBART NEIGHBOURHOOD WATCH**
