JOURNEY INTO OLDGROWTH

*8.00 pm Wednesday 9th October
South Hobart Community Centre*

At the next SHPA General Meeting, journey into Tasmania's old growth forests with an audio-visual experience which will transport the audience into our island's primeval wild forests. Nowhere else in the world do these majestic giants and ancient rainforests exist. **Tasmania's old growth forests** are a link with the ancient natural history of the Earth, and these treasures occur right on our back doorstep.

The South Hobart Progress Association has been fortunate to secure this presentation by *The Wilderness Society*. This audio-visual experience will convey the power and presence of old growth forests. The presentation will shed light on the threats confronting Tasmania's old growth and will stimulate discussion of these unique wild places.
